## NOTES:

- With one exception (HMIS) all projects are being reallocated and all new projects are being proposed using reallocation and bonus funding as noted.
- All proposal applications received were accepted and ranked; no proposals were rejected. All projects were scored, rated and ranked according to the Bristol County CoC's Ranking and Review process referenced in the FY26 CoC Application and made available at <https://www.bristolcountycoc.com/2026-coc-funding-competition/>.
- In addition to these ranked projects, the CoC will also submit an unranked application for Planning funds consistent with the FY2026 NOFO.
